MSP® (Managing Successful Programmes) 5th Foundation & Practitioner with exams

About MSP®

Transformation, change and long term policy implementation! If your organisation is going through these then MSP® (Managing Successful Programmes) should be on your radar. It is is all about transformation and big change. It is the guidance that provides and maintains a strategic view over the set of projects, aligning and co-ordinating them within a programme of business change in support of specific business strategies. It is suitable for any organisation or individual seeing the need for a controlled approach to managing its programmes. MSP® has recently been updated to 5th edition.

Learning objectives

·Provide an understanding of the benefits and principles underlying a structured approach to programme management.
·Apply the principles of MSP® to a programme within a work environment.
·Operate effectively with colleagues and managers within a structured programme and project management environment.
·Enable delegates to understand the MSP® framework to be prepared to sit the PeopleCert MSP® Foundation and Practitioner exams.
·5th edition enables delegates to take a more iterative approach to programme management and align this with agile ways of working. This also takes greater consideration to the digital age.

Some of the changes from V4 include:

The **principles** are more aligned to today's environment and each has a succinct paragraph and is dealt with under each one of the 5th edition 'themes.'

Themes (previously 'governance themes': There are now only seven instead of the previous nine. There is now also greater interconnectivity to the principles.

MSP® Lifecycle. Previously 'Transformational Flow.' is now more iterative in nature reflecting agile ways of working.

Foundation: The **MSP Foundation** certification introduces the Managing Successful Programmes (MSP) method and terminology. Foundation certification ensures you understand the MSP guidance well enough to work in a team to deliver or manage a programme. It confirms that you can act as an informed member of a programme office, business change team or project delivery team working within an environment supporting MSP.

Foundation estimated study time 3 days ONLIVE (virtual) classroom) or 20 hours OnDemand / e-Learning.

Practitioner: The **MSP Practitioner** certification is aimed at project managers, business change managers (BCMs), and people working within a Programme Office (PO) or in a specialist or governance position. It demonstrates your ability to understand and apply the MSP principles, governance themes, and transformational flow processes when managing a programme.

The MSP® Practitioner course explores practical application of the approach with real-world scenarios.

Practitioner estimated study time 2 days ONLIVE (virtual) classroom) or 30 hours OnDemand / e-Learning.
