

MSP (Managing Successful Programmes) 5th Practitioner with exam

About PRINCE2® Programme Management (MSP)®

Transformation, change and long term policy implementation! If your organisation is going through these then MSP® (Managing Successful Programmes) should be on your radar. It is all about transformation and big change. It is the guidance that provides and maintains a strategic view over the set of projects, aligning and co-ordinating them within a programme of business change in support of specific business strategies. It is suitable for any organisation or individual seeing the need for a controlled approach to managing its programmes. MSP® has recently been updated to 5th edition.

Course approach

This course is the practitioner level course

Introduction: This study level is for awareness only and does not include an exam. It provides an overview of the approach and is suitable for general change and project teams, stakeholders or anyone wishing to know more about the approach. Provides an introduction to MSP® framework i.e. MSP® principles, governance themes and transformational flow.

Introduction estimated study time: 90 minutes ONLIVE Virtual Classroom and OnDemand and 4 hours e-Learning.

Foundation: The **MSP Foundation** certification introduces the Managing Successful Programmes (MSP) method and terminology. Foundation certification ensures you understand the MSP guidance well enough to work in a team to deliver or manage a programme. It confirms that you can act as an informed member of a programme office, business change team or project delivery team working within an environment supporting MSP.

Foundation estimated study time 3 days ONLIVE (virtual classroom) or 20 hours OnDemand / e-Learning.

Practitioner: The **MSP Practitioner** certification is aimed at project managers, business change managers (BCMs), and people working within a Programme Office (PO) or in a specialist or governance position. It demonstrates your ability to understand and apply the MSP principles, governance themes, and transformational flow processes when managing a programme.

The MSP® Practitioner course explores practical application of the approach with real-world scenarios.

Practitioner estimated study time 2 days ONLIVE (virtual classroom) or 30 hours OnDemand / e-Learning.
