

M_o_R® (Management of Risk) Practitioner with exam

About PRINCE2® Management of Risk (MoR®)

M_o_R® considers risk from different perspectives within an organisation: strategic, programme, project and operational. It compliments other Best Management Practice guidance such as PRINCE2® (project management) and MSP® (programme management) and helps organisations and individuals manage their projects programmes and services consistently and effectively. It also helps organisations improve performance against objectives at strategic, programme, project and operational levels

Contributes to:

- Fewer sudden shocks and unwelcome surprises.
- Reduced management time in 'fire-fighting'.
- Better service delivery.
- More focus internally on doing the right things properly.
- Reduced fraud and waste.

Learning objectives

- Basic concepts and terms, the history, regulatory and legislative background of corporate governance and Management of Risk.
- Management of Risk principles, perspectives and risk approach.
- Roles and responsibilities.
- Health check and maturity models.
- M_o_R® specialisms: Business Continuity, Incident and Crisis Management, Health and Safety Management, Security Risk Management, Financial Risk Management, Environmental Risk Management, Reputational Risk Management and Contract Risk Management.

Course approach

This course is the practitioner level course

Introduction: This study level is for awareness only and does not include an exam. It provides an overview of the approach and is suitable for general change and project teams, stakeholders or anyone wishing to know more about the approach. Provides an introduction to MoR® principles, perspectives and approach.

Introduction estimated study time: 90 minutes ONLINE Virtual Classroom and OnDemand and 4 hours e-Learning.

Foundation: The purpose of the Foundation certification is to confirm that you have sufficient knowledge and understanding to contribute to the identification, assessment and control of risks across any organisational perspective. Your understanding will include the four elements of the M_o_R® framework and how these support corporate governance.

Foundation estimated study time 3 days ONLINE (virtual classroom) or 20 hours OnDemand / e-Learning.

Practitioner: The purpose of the Practitioner certification is to confirm whether you have sufficient understanding of how to apply and tailor M_o_R® in a scenario situation. You should, with suitable direction, be able to start applying an M_o_R® approach to any organizational perspective but may not be sufficiently skilled to do this appropriately for all situations.

The M_o_R® Practitioner course explores practical application of the approach with real-world scenarios.

Practitioner estimated study time 2 days ONLINE (virtual classroom) or 30 hours OnDemand / e-Learning.
