

PRINCE2 Agile® Foundation & Practitioner with exam

About PRINCE2 Agile®

PRINCE2 Agile® is the world's most complete project management solution, combining the flexibility and responsiveness of agile with the clearly defined framework of PRINCE2®.

Designed to help professionals tailor management controls when working in an agile environment, PRINCE2 Agile® will help practitioners understand PRINCE2® governance requirements clearly and comprehensively as well as the interface between PRINCE2® and agile ways of working. Some organisations are using both agile and waterfall approaches to their projects very successfully. PRINCE2 Agile® gives guidance on how to use them together in a blended approach that maximises on both of their strengths.
